

Peace of Mind Plus Membership Program

Objective

The **Peace of Mind Plus Membership Program** is designed to provide seniors with essential, task-based care at an affordable rate while ensuring caregivers are fairly compensated. This program offers structured, longer visits that prioritize both daily living assistance and meaningful companionship—helping seniors maintain independence while staying connected and supported.

Program Overview

Members of the Peace of Mind Plus Program receive **four scheduled visits per week (Monday – Thursday)**, each lasting **45 to 60 minutes**. These visits focus on **Activities of Daily Living (ADLs) and companionship**, ensuring seniors receive high-quality care that meets their specific needs.

Task-Based Care Options

Each visit includes one or more of the following:

- ✓ Light housekeeping (tidying up, dishes, sweeping)
- ✓ Medication reminders & wellness check-ins
- ✓ Meal preparation & assistance
- ✓ Laundry support (washing, drying, folding)
- ✓ Bathing or grooming assistance
- ✓ Companionship (conversation, reading, games, emotional support)

Exclusive Member Benefits

- ◆ **Affordable, Predictable Pricing** – Members receive consistent care at a reduced rate.
- ◆ **Longer, Quality Visits** – More time for thorough support and companionship.
- ◆ **Priority Scheduling** – Secure convenient time slots for care needs.
- ◆ **Discounted Additional Services** – Need extra care? Members enjoy a reduced hourly rate for extended visits.
- ◆ **Companionship & Engagement** – Social interaction to enhance emotional well-being.

Why It Works for Papa's Place

- ✓ **Sustainability & Fair Wages** – Caregivers are paid a fair hourly rate while ensuring program affordability.
- ✓ **Optimized Scheduling** – Structured visits reduce travel time and maximize efficiency.
- ✓ **Stronger Community Impact** – Providing affordable care strengthens relationships and helps seniors remain independent longer.

Operational Considerations

- 📌 **Efficient Scheduling** – Routes and caregiver time are optimized for smooth service.
- 📌 **Task Prioritization** – Visits are planned to ensure all essential tasks are covered.
- 📌 **Companionship Training** – Caregivers are equipped to provide meaningful engagement for seniors.

At **Papa's Place Adult Day Center**, we believe that **peace of mind** comes from knowing that seniors receive **consistent, compassionate, and quality care**. The **Peace of Mind Plus Membership** makes this possible—delivering affordability without compromising excellence.
